Professional Profile

I’m a creative professional who loves to paint on canvas & touch-screen surfaces. I do both user experience design & user interface design for interactive products, digital services & enterprise solutions. I simply try to connect the dots between human vision with machine algorithms by applying design methodology and accessibility principles. I have 10+ years of diversified design experience across multiple domains for start-ups and leading corporate brands. I am always keen to learn new-age tech & soft skills to harness my problem-solving ability.
